

Nexans New Zealand Limited Quality Policy

Nexans New Zealand Limited is a manufacturer, importer & distributor of electrical cables with 50 years of experience, providing a full range of general purpose fixed & flexible cables, special purpose cables, technical services and cable design.

We affirm to all our stakeholders, namely our employees, customers, shareholders and the public, that we are committed to providing a high level of customer satisfaction by promoting continuous improvement in all of our practices and strengthening our business by making quality an integral part of all our activities.

We will provide products and services that shall meet all specified and implied standards of compliance, performance, reliability and be of a quality that meets the customers continuing needs and expectations and in doing so, be the leader in product and service quality.

Nexans shall ensure availability of the necessary trained personnel, business systems, key performance measurements, technology, materials, capital plant and buildings to achieve our objectives.

To support this, we will measure and accurately report regularly to our stakeholders our progress in meeting this Commitment:-

Nexans New Zealand Limited Objectives

- Comply with all elements of ISO 9001 standard, applicable legislative standards, all relevant AS/NZS and international standards for manufacture of product
- Understand our customers changing needs and expectations to deliver superior value
- Develop the strengths and capabilities of our people and the organisation
- Drive innovation and continuous improvement to enhance our products and services
- To integrate Nexans corporate Nexans Excellence Way (NEW) and industrial processes as best practices
- Establish measure, review and communicate key performance indicators

Compliance with this commitment and applicable laws, is the responsibility of every employee and contractor acting on our behalf and a condition of their employment or contract. Management in each department is responsible to educate, train and motivate employees to understand and comply with this commitment and applicable laws.
