Conditions

- a) Only Nexans items will be accepted.
- b) Check for rot, splits, cracks and broken flanges, especially where the drum may have been sitting for a long time on the ground in one place - even a small piece of rot on the flange is no good.
- c) Check barrel. Make sure reel core is in good condition (*no rot, not broken or split*).

PICK-UP DRIVERS: Drums not up to standard are not to be uplifted.
